SHUTIQ

Shutiq is a Premium Shoe Boutique founded in 2015. Shutiq was initiated with the sole intention of creating a sophisticated and specialist clientele. Our in-house designers inspired the art of designing shoes from acclaimed design institutes of Milan, Italy, and we strive to offer the finest and the most meticulously designed pair of slip-on shoes for Men and Women. In addition to our designs, we extend our clients the privilege of personalizing and customizing their slip-on shoes, a hint of exclusivity and individuality.

We blend creativity and skills of some of the finest craftsmen with our three decades of shoe-making experience to put forth the globally inspired piece of art.

We plan to expand globally in the next 3 years with a clear strategy to have more than 100 stores across globe.

Shutiq currently sells worldwide through a official website:
